

5' 1-Piece Heavy-Duty Poly Bunk Feeders

Horse lovers will prefer our 1-Piece Heavy-Duty Poly Horse Bunk Feeder standing 33" high and available in only the 5' length. Our poly replaceable bunk liner is formed from a single solid piece, 10" deep by 25" wide with weep holes for drainage. It is built rugged to withstand abuse from any size herd. This feeder also features a superior welded frame in red or galvanized. Also available is a 5' bolt-on galvanized hay rack for added versatility.

NOTES:
 Replacement liners available.

Shown with optional v-style Hay Rack.
