5' or 10' 1-Piece Heavy-Duty Poly Bunk Feeder

Our 1-Piece Heavy-Duty Poly Bunk Feeder is the industry leader in design and quality. The poly replaceable bunk liner is formed in a single piece with no seams or inserts and is built rugged to withstand abuse from small or large herds. The welded frame is made from 1-3/4" diameter round tubular steel. Available in 5' or 10' lengths in red frames, the feeder is 27" wide. You can also add a 5' or 10' galvanized hay rack for even more versatility.

5' or 10' 1-Piece Heavy-Duty Poly Bunk Feeder Galvanized

Our 1-Piece Heavy-Duty Poly Bunk Feeder with Galvanized Frame is the industry leader in design and quality. The poly replaceable bunk liner is formed from a single solid piece 10" deep x 25" wide with weep holes for drainage. It is built rugged to withstand abuse from any size herd. Featuring a superior welded frame of 1-3/4" diameter galvanized steel this feeder is available in 5' or 10' lengths and is 27" wide. Also available with an optional 5' or 10' hay rack.

5' or 10' Hay Rack

Optional Hayrack Loaded With Features:

- Heavy-duty galvanized steel
- V-style for easy loading & animal access
- Easily bolts on
- Keeps hay accessible and clean

Shown with optional Hay Rack — 1PGB5
