## Single & Multiple Saddle Racks

Saddle racks from Equestrian World are designed for ease of installation and proper tack room organization. Made from 1-3/4" tubing, they feature a rugged gray powder-coat finish and 26" rack arms.

### Single Saddle Rack

This heavy-duty saddle rack can be mounted to any flat surface for secure saddle management. Remove the wall connectors, and it becomes another interchangeable rack on the freestanding saddle rack shown below. Saddle rack (single) can be mounted to wall, trailer or any other flat surface.

Description	ITEM #	Height	Approx. Weight	Width	Length
Single Saddle Rack Shelf	SSR	19"	10 lbs.	13"	30"
Single Saddle Rack Shelf w/Wall Mount	SSRWM	25"	10.5 lbs.	13"	30"
