## Interlocking Stall & Stable Mats

These flexible, yet strong, interlocking stall mats help to cushion the impact that can be so damaging to joints and feet. These products make the whole barn easier to clean and maintain. Designed for use in any environment where a 3/4" pliable cushion can be appreciated. Configurable to any size, these interlocking blocks can be trimmed for an exact fit in stalls, corridors or arena staging areas. Available in pliant black rubber.

Description	ITEM #	Approx. Weight	Width	Length	Thickness	Color
10' X 10' Horse Mat Kit 3/4" 5 Pieces	HMK10	427 lbs.	10'	10'	3/4"	Black
12' X 12' Horse Mat Kit 3/4" 6 Pieces	HMK12	570 lbs.	12'	12'	3/4"	Black

## Entrance Mats

Announce your entrance as a "horse friendly" place with the Equestrian World 2' x 3' horse entrance mat. The same pliant black rubber mat as that used in our stall mats, this entrance version is much lighter (15 lbs.), sized to fit any door (2' x 3'), and available in beige or black.

Description	ITEM #	Approx. Weight	Width	Length	Thickness	Color
2' X 3' Horse Entrance Mat	HM23	15 lbs.	2'	3'	1/2"	Black on Black
2' X 3' Horse Entrance Mat	HMB23	15 lbs.	2'	3'	1/2"	Beige on Black

## Stall Mats

This thick, pliant rubber mat is perfect for concrete stall surfaces or in trailers or other areas where hard surfaces can cause fatigue and muscle soreness. This cushioned mat provides comfort for people as well as their horses. Available in black in pallets of 25 only, these mats are 4' x 6' x 3/4".

Description	ITEM #	Approx. Weight	Width	Length	Thickness
Horse Stall Mat	HSM	90 lbs.	4'	6'	3/4"

## Arena Footing

This high-quality rubber footing material is made of crumbled rubber and is one of the best arena footing products available. It can stand alone or be mixed with sand. This product ships palletized in 2000 lb. bags and includes full mixing and installation instructions.

Description	ITEM #	Height	Width	Approx. Weight
Arena Footing	AFT	5'	4'	2000 lbs.
