

6 or 7 Bar Heavy-Duty Standard Bull Gate

Our heavy-duty standard bull gate is designed for light-to-medium confinement situations, as well as pasture and field entrances.

This gate is built tough for tough situations and has been the favorite of farmers and herdsman for years. 1-3/4" round tube made of high-tensile strength steel with superior continuous-welded saddle joints helps make this 50" high gate so tough. This gate features vertical Z-braces for superior strength and a superior e-coat finish to ensure longer life in the field. Gates come with hinges, hinge pins and 22" snap chain. Available in lengths from 4' to 20'. The 6 bar is available in red only. The 7 bar is available in red or blue.
